

United States Department of State

Washington, D.C. 20520

NOV 14 2003

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles and to provide defense services in the amount of \$100,000,000 or more.

The transaction contained in the attached certification involves providing technical support and exporting defense articles to the United Kingdom for the purpose of upgrading the United Kingdom's Defence Intelligence and Electronic Warfare (IEW) capability in the Soothsayer Programme.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink, reading "Paul V. Kelly".
